Wilmington, Jan. 29, 1852. New Work. MANUAL Hebrew Grammar, with a Vecabulary of Roots, Nouns and particles of Common occurrence, for the use of beginners, by James Seixas. Third edition, carefully revised, corrected and improved.

Ellis & Mitchell.

This edition is quite an improvement on any former one. Professor Seixas is perhaps the best Oriental Scholar in the Union, and he is without doubt the best teacher of the Hebrew language. Before the publication of his grammar, it was almost impossible to acquire a correct knowledge of that ancient language in which Moses and the Prophets wrote, but it has been through his ingenuity and industry, so simplified that it may now be mastered more readily than perhaps any language in the civilized world. The Biblical Student is laid under many obligations to Professor Seixas for his full and easy access to the rich treasures of revealed wisdom.

Valuable Property for Sale in the CITY OF RALEIGH. T OFFER for sale my House and Lot, situated in the Eastern Ward, near the residence of Dr. Josiah 0. Watson, containing one acre, more or less. This situation is capable of being made one of the most desirable residences in the City, and although better improved than most any residence in Raleigh, yet, with a very little outlay of money, could be made one of the "places we read of." I own about three-fourths of an acre of ground adjoining, which added to it would make it sufficiently capacious for a "gentleman of talents and planure" to perambulate in the shades of evening, inhale the sweet scented zephyrs, listen to the song of the nightbird, and hold communion with the nymphs that play upon the moon beams, or he may view the "starry decked

eavens" and meditate upon the science of Astronomy. Persons wishing to purchase will make application to RICHARD P. FINCH, Esq., who is my agent, and empowered to make sale. I deem any further description unnecessary, as no one will purchase without first examining the premises. GEORGE L. GOULD resides on the lot, and will take pleasure in showing the house, lot and im-THOMAS M. OLIVER. provements.
